Specificaties Satellite Pro A60	
Model	Satellite Pro A60
Processor / Technology	Mobile Intel® Pentium® 4 processor 532 supporting Hyper Threading Technology (3.06 GHz, 533 MHz Front Side Bus, 1 MB 2nd level cache)
Operating system	Windows® XP Professional (triple language choice: English, French, Dutch)
Display	15" XGA TFT display, 1.024 x 768
Hard disk	40 GB
System memory	512 MB (256 + 256), maximum expandability: 1.280 MB, technology: DDR RAM
Optical device	CD-RW/DVD-ROM drive
Graphics adapter	ATI MOBILITY™ RADEON™ 7000 IGP, 64 MB DDR Video RAM (UMA shared)
Pointing device	Touch Pad
Wired communication	Ethernet LAN, international V.90 modem
Wireless communication	Fast InfraRed
Sound system	Toshiba Bass Enhanced Sound System Realtec ALC 250 with SRS® TruSurround XT™ System, 16 bit stereo, built-in stereo speakers, volume dial
Interfaces	Built-in speaker, DC-in, external microphone, external monitor, Fast InfraRed (FIR), headphone (stereo), headphone, iLINK® (IEEE1394), parallel, RJ-11, RJ-45, TV-out, 3x USB 2.0
Expansion	1 x PC Card Type II, memory slot (0 to configure)
Battery	Technology: lithium-ion, maximum life: up to 3:00 hours
Bundled software	Microsoft® Office OneNote™ 2003 (triple language choice: English, French, Dutch), online user manual, Toshiba ConfigFree™, Toshiba utilities and drivers, WinDVD™, Windows® XP Professional Service Pack 2, Norton Internet Security 2004 (90 day free trial version)
Bundled hardware	AC adapter
Security features	Main hard disk (by screw), main memory (by screw), system password security, user password
Physical dimensions	W x L x H: 343 x 282 x 38 (front) / 49 (back) mm, weight: 3.50 kg
Warranty	1-year pickup & return warranty (upon user registration free upgrade from carry-in to pickup & return warranty)
Article number	PSA65E-01K033DU

Uw dealer:

CPU performance may vary from specifications under certain conditions such as the use of battery instead of AC power, certain external peripherals, certain multimedia applications or network connections, complex modelling software and in areas with low air pressure at high altitude (1,000 metres above sea level) and/or certain temperatures. CPU performance may also vary from specifications due to design configuration. Under some conditions, your computer may automatically shut down as a normal protective measure. To avoid risk of lost data, please make periodic back-up copies. For optimum performance, use your computer only under recommended conditions. Please read detailed restrictions in the product resource guide, visit the Toshiba web site: computers.toshiba-europe.com and/or contact Toshiba Technical Support. • One GB means one billion bytes. • Wired and wireless communication capabilities to be applied in countries where approved. • Battery life may vary depending on applications, power management settings and features utilized. Recharge time varies depending on usage. Battery may not charge while computer is consuming full power. After a period of time, the battery will lose its ability to perform at maximum capacity and will need to be replaced. This is normal for all batteries. To purchase a new battery pack, see your accessories information that shipped with your computer or visit the Toshiba web site at computers.toshiba-europe.com. • Small bright dots may appear on your TFT display when you turn on your PC. Your display contains an extremely large number of thin-film transistors (TFT) and is manufactured using high-precision technology. Any small bright dots that may appear on your display are an intrinsic characteristic of the TFT manufacturing technology.
